

13th February 2017

Dear Head Teacher

Your school nursing team

The Calderdale school nursing team would like to ensure again that you have the current contact details of the named school nurses linked to your school.

Below are the members of staff that you can contact with any issues or queries and who are the members of the team likely to visit your school.

Your link school nurses are: Julie Haw - school nurse
Lucy Charlesworth –school nurse
Sharon Mensah–school staff nurse
Joanne Leather- school staff nurse

The Calderdale School Nursing team can be contacted on **030 3330 9974** and if you leave your contact details and availability with the administration team on the above number, a member of the team will return your call. If the administration team is busy you will be able to leave a message on voice mail which is a secure site. A member of the school nursing team is available Monday to Friday between 2pm-5pm.

Whilst it is important that you have the above link nurses working with your school please be aware that other nurses may be required to work with your school from time to time. This is dependent on a variety of issues including demands on the service.

Information about the school nursing service can be found at <https://www.locala.org.uk/your-healthcare/schools-nursing/calderdale-school-nurses/>. The school nurse referral form is also on this web page.. For general information about Locala please visit www.locala.org.uk.

Yours sincerely
Carole Kay
School Nurse Team Leader
