

Friends of St Andrew's Junior School

The Friends of St Andrew's Junior School is a small charity group who fundraise for St Andrew's Junior School. The Friends include parents, staff and governors and anyone is welcome to join.

Meetings are held approximately once each half term, in the evening, in school. The focus of each meeting is to plan and organise the next fundraising event. There are Friends who can't attend meetings who help in other ways at events and all help is gratefully received. If you can't attend meetings but would be willing to help, we would be delighted to add you to the contacts list so you can keep up to date. We also have a Facebook page where information is posted. (Search for Friends of St Andrew's CE – VA Junior School Brighouse on Facebook).

Recent fundraising events have included termly school discos, a Christmas Fayre and a Summer Fayre and more events are planned for next term.

Money raised has gone towards new playground equipment, games for breakfast club, revision guides, water bottles for each child and for an end of Junior School party for Year 6. The School Council always has ideas as to how they could best use the money raised for the children of our school.

Dates for the Friends meetings will be announced on our newsletter.
