Headteacher's Message

What an amazing year we've had! I am so proud of each and every child in our school. Each of you have worked hard and made progress. In these last few weeks of the year we share so many lovely experiences: The Leavers' Eucharist, Year 6 end of year production, school disco, a whole range of fun activities and of course, our Year 6 Leavers' party. So many occasions when I realise how lucky I am to be part of St Andrew's. I feel such joy in sharing these times with you all.

We wish all our Year 6 children every success as they move to secondary school - we will miss you all!

'Happiness lies in the joy of achievement and the thrill of creative effort'.
Franklin D. Roosevelt.

Year 6 Leavers' Party

Wow! What an amazing night our Year 6 children had last night at their Leavers' Party. The Friends of St. Andrew's really pulled it out of the bag for them. Thank you to everyone who was involved, it would not be possible without you.

All the children looked amazing as they arrived and entered via the red carpet.

All the photographs are being professionally edited and a selection will be available to view on our school website on Monday. Please visit

<https://standrews.calderdale.sch.uk/> - CDs will be available in September. We will contact parents who have ordered them.

*Dear God,
As we look forward to
starting a new academic
year, we pray for your
help to make new
friends and get on well
with our new teachers.
We ask for your
courage and strength in
new situations. Help us
to work hard in all that
we do and enjoy the
new experiences that
will come.
Amen.*

'Great St. Andrew's Bake Off'

On **Wednesday 19th September** the children who have participated in the Archbishop of York Award are hosting a 'Great St. Andrew's Bake Off' in school.

This will start at 1.30pm and last until 3.15pm.

There will be two awards presented; one for the best cake made by a child and an award for the best cake by an adult.

The children will be serving cake, tea, coffee and juice to members of our local community who help our school. The children are hosting this event as part of their work to receive the Archbishop of York Award.

Parents are welcome to attend.

All cakes that are entered for the competition, after being judged, will be sold per slice to raise money for "Stand up to Cancer".

Get your creative hats on over the summer holidays and we look forward to seeing your creations on Wednesday 19th!

Summer Reading Challenge

The Summer Reading Challenge started on the 14th July at all Calderdale libraries. The children in school have been informed of the reading challenge and are looking forward to earning their reading prizes over the Summer break!

**SUMMER
READING
CHALLENGE**

We keep our children safe...

By asking parents/carers not to take photographs of the children.

Children that attend any school are sometimes in care and need safeguarding from certain individuals. Photographs can give away that child's location.

Children and their families may have moved to escape certain situations and once again do not want to be found.

Please help support the school in safeguarding all our children.
