Dear Parent/Carer

FREE SCHOOL MEALS

**Did you know...just registering your child for Free School Meals means that the school gets extra money, even if they are on sandwiches?
Register now to make sure we don't miss out**

The Government is giving money to schools to help children from lower income families. This funding is called the 'Pupil Premium'.

For every child registered, St Andrew's Junior School gets a set amount of money each year. With this money we can purchase vital resources to aid teaching and provide extracurricular activities and trips.

Please register to make sure your child and others in their class don't miss out.

How does it work?

1. First, check if you qualify by referring to the list on the back of this page.
2. Registering is really quick and easy – if you think you qualify just complete the attached form.
3. Return your completed form either to the school office or direct to the Benefits Assessment Unit (address at the top of the application form).
4. Your child will be eligible for a free, healthy meal at lunchtime, saving you money AND the school will get £1300 extra to help their education.
5. If you don't want your child to have a school meal, they can continue to have a packed lunch – as long as you qualify and are registered, the school will still get additional funding and your child will benefit.

No one will know you have registered and it will not affect any other benefits you are claiming.

Yours faithfully

Mrs E. Stollery
