We are Web Developers.

We will learn how to code using html and create a web site.

### Notices

Ancient Egyptian Workshop -15<sup>th</sup> January AM

Visit to St Martin's Church - 21<sup>st</sup> January PM

### Religious Education

What does it mean if God is holy?

We will make clear connections between Bible texts studied and what Christians believe about God.

We will also show how Christians put their beliefs into practice in worship.

We will discuss how biblical ideas and teachings about God as holy and loving might make a difference in the world today.

### Science

Properties of Materials

We will look at how materials change state; solids liquids and gases; chemical reactions and separating materials. We will carry out an experiment to dissolve substances in water at different temperatures.

### History

Ancient Egypt.

We will learn about what the Ancient Egyptians did for us.
