Headteacher's Message

We've had such a lovely term! The children have been involved in so many fabulous activities:

- Safer Internet Day
- Raising funds for Calderdale Smartmove
- World Book Day
- Better Living Day
- Visits to Yorkshire Sculpture Park
- Science Week
- Comic Relief Day
- Mara Week
- Year 6 showing their Formula 1 cars to our Reception children

to name just a few. It makes us all really happy to see the children having so many positive experiences. We've worked hard and enjoyed our time together. I hope that you all have a well-earned rest over the Easter holidays. I will look forward to seeing you all on Monday 29th April. ☺

Easter Family Learning fun

Our Easter Family Learning event was another huge success with 10 families joining us to create Easter baskets and spring animals. The children had fun gluing, sticking and creating a take home basket in the hope of being able to fill them with eggs next week! These events are free sessions provided by Calderdale Family Learning Services and run by Denise Okuhaba & Mrs Brearley. Keep a look out on our newsletters for upcoming events. Our final session for this year is on Thursday 20th June.

Dear God,

Thank you for the world so sweet

Thank you for the food we eat

Thank you for the birds that sing

Thank you God for everything.

Amen

REMINDER

Please remember there are no after school activity clubs during the first week back after Easter (apart from Touch Typing). New clubs will start on Tuesday 7th May.

Easter Assembly

This week the Year 4 children lead a lovely Easter Service for the whole school. They conducted a presentation after taking part in some role play and acting which furthered their understanding of the Easter story. They also produced some very artistic comic strips - what talented children!

Mara fundraising

The children have been busy continuing their fundraising efforts for our Tanzania project. Class Italy have been particularly busy, - between them they have organised a whole range of fundraising activities including selling buns and lemonade, painting portraits, organising games, putting on a play and running a raffle! In total they have raised an amazing £173. What a great team! Class Ireland have also been busy and produced some beautiful African artwork to sell to their parents for their fundraising effort.

A special mention this week goes to Emily in Year 6 who organised a bun sale at church and raised over £127 - what a fantastic effort! Well done Emily ☺

CAP Money Course

The CAP (Christians Against Poverty) Money Course is a free course to help you get to grips with your finances so you can budget, save and prevent debt. The next four week course will be held at Café 139 in Brighouse starting on 30th April. If you are interested in finding out more or booking a place please phone 0782 1513347.
