The Nativity in French for the Carol Concert at St Martin's Church in December

PSHE

Relationships

We will look at what makes a good friendship, being fair, families and stereotypes.

Maths

Multiplication and Division—we will learn formal methods for both multiplication and division. Multiply and divide by 10, 100 and 1000. Including converting measure.

Problem Solving and Bar Modelling activities

TT Rockstars

Design Technology

DT Week 25 th—29th Nov

The children in Y5 will design and make slippers from felt. They will make the slippers to fit their own feet and will be able to decorate them to their own design.

ICT—Mr Johnson

We are Web Developers

We will learn how to code using html and create a web site.

Visitors 14th Nov

Wonderdome—Inflatable planetarium

Religious Education

How can following God bring freedom and justice?

We will look at connections between the story of Moses and the concepts of freedom and salvation. The children will be asked to make clear connections between Bible texts studied and what Christians believe about being the People of God and how they should behave.

Science

Earth and Space

We will find out about the Solar System, the seasons, day and night. We will prove that the Earth is a spherical body and the Moon orbits the Earth.

Geography

Climate Change—Pollution

We will learn about the effects that pollution is having on our environment. We will use field-work to observe, collect, measure and analyse data.
