

Y5 Home Learning tasks during school closure

Pupils who were in school on Friday 20th March were shown how to use Google Classroom. We will upload work and set tasks on here regularly. You will need to 'hand it in' when you have completed a task. We will also add links to interesting websites, virtual tours and live lessons. If you want to contact us, you can do so through Google Classroom. (Please share with those who were absent on the last day how to access Google Classroom)

We have made a folder on Google Drive called School Closure 2020. We will regularly upload the same tasks to this folder as we have to Google Classroom. You can upload any completed work to this folder so that we can have a look at it.

Classroom Secrets Kids

You all have a log in for this. There are activities for you to complete and they are adding more regularly.

TT Rockstars

You will need to complete 3 sound-checks before you can play.

SPAG.com

We will set tasks every week for you to complete. We can see the results.

Reading

It is important that you read for at least 20 minutes every day. You can also take quizzes from home, <https://Ukhosted64.renlearn.co.uk/2250255>

Free e books

<https://worldbook.kitaboo.com/reader/worldbook/index.html?usertoken=Mjk5MzQ6MTpJUjA5MjAxNjoyOmNsaWVudDE2OTc6MTY5NzoyMjE2Mjg4OjE6MTU4NDM4MDEzMzA2MjE1cw==>

David Walliams' will read a story on the internet every day

<https://www.worldofdavidwalliams.com/elevenses/>

Spelling

Complete all tasks in your RWI Orange book. We will upload weekly tasks following a spelling rule to Google Classroom and Google Drive.

10 minute tests CGP Maths & Grammar books in your home learning pack

Maths

Work through the pages in your Maths text book. You could work from the beginning or you could focus on the four operations.

Mini Maths

We will upload mini maths tasks each week for you to complete.

Arithmetic

We will upload daily arithmetic questions but will also upload a test every Friday. Mrs Taylor's group 20 questions in 20 minutes, Miss Haley's group 30 questions in 25 minutes and Miss Adamson's group 40 questions in 25 minutes. We will upload the answers after the weekend for you to mark them.

PE

Do PE with Joe every day on his You Tube channel

https://www.youtube.com/watch?v=6v-a_dpwhro

Art

Why not draw what you can see from your window? Only draw what you can see and remember to look carefully.

Geography

We would like you to research and create a presentation on the River Calder.

Your presentation can be on a computer or hand written, it is up to you. Find out what you can about the River Calder - its history, the use of land around the river, where does it start and end, how deep and wide it is, its tributaries and which rivers does it join.

If you wish to create something on a computer, you can upload your work to our Google drive.

You can use Google slides for a presentation, Google docs for a word document or you can just upload your own photos.

DT

Upload any photos of things that you make to Google Drive so that we can see them. You could make a model, sew something or cook.

Keep checking Google Classroom or Google Drive for more things to do.

If you need anything, you can contact us through Google Classroom,

Miss Haley & Miss Holt
