The Year 5 entrance is at the far end of the playground near the trim trail. Class Germany is on the left and Class France is on the right.

This is a photograph of the cloakroom where you will have a peg to hang your coat and bag.

When you join us in the Autumn term, we have some really great topics planned.

In Literacy, we will read the amazing and very funny book, *The Boy in the Dress* by David Walliams.

We are looking forward to our History topic, the Ancient Egyptians. A really exciting subject, we will learn about the Pharaohs, the Pyramids, their writing and number system and the famous boy king, Tutankhamun.
