## **Promoting Excellence report**

Dear Parents/Carers,

Your child will have received their termly 'Promoting Excellence' report. Please take the time to read their current attainment, progress and effort levels. The class teacher will have reported the targets they would like your child to work towards achieving. Any support with this would be most helpful as we aim to catch up on missed learning.

Please note that progress is from the end of the autumn term to now. For a large amount of this time children have not received their normal curriculum in class due to the National Lockdown. Please bear this in mind when looking at how your child has progressed over the term as this may look different to what you usually see.

Kind regards,

**Karen Smith**
