

St. Andrew's CE (VA) Junior School

Year 3 Summer 2 Curriculum Overview

Key learning this half term

Literacy	Maths	Religious Education
<p>This half term, we will start reading James and the Giant Peach. We will write newspaper reports, diary entries and our own story endings.</p> <div style="text-align: center;">  </div> <p>We will consolidate all Year 3 grammar as well as exploring apostrophes (for possession and contraction) and tense (past, present and present perfect).</p>	<p>We will be completing work on time, properties, mass, and capacity.</p> <p>We will have a time focus looking at intervals of time, analogue and digital clocks. The children will read time and use key vocabulary like am/pm and o'clock. They will also think about the duration of events.</p> <p>The children will be learning about horizontal and vertical lines, and pairs of perpendicular and parallel lines. We will then progress to looking at right angles and angles more and less than a right angle.</p> <p>We will also learn about the different types of triangles. These activities will give us chance to revisit, apply and consolidate the learning about angles and lines.</p>	<p>We will continue to look at the Jewish faith as we think about the question. 'What is it like to be a Jew in Britain today?'</p> <p>After this we then move on to a thematic unit where we will look at Christianity and Judaism together as we investigate the question, what are the deeper meanings of festivals? Children will use their knowledge of both religions to think about the festivals that are celebrated and the reason for these celebrations.</p> <p>PUPILS WILL KNOW THAT:</p> <p>JUDAISM Jewish beliefs about God and why these are important to people today How Jews use the Torah and explain why it is important</p> <p>FESTIVALS The main beliefs and stories at the heart of religious festivals How people celebrate the named festivals Pesach (Passover) and Rosh Hashanah are Jewish festivals.</p>

We are also studying:

Science	Geography	PSHE	Music	DT
<p>We will continue with our light and shadow learning that we started last half term.</p> <p>After this, we will consolidate the science learning from Y3.</p>	<p>Our Geography learning will focus on a region in France. We will make predictions about the region before exploring it in depth, look at the physical and human geography of the region. We will compare this with a region in England. We will also learn the 8 compass points and practise planning routes using maps.</p> <p>PUPILS WILL KNOW THAT: Regions are particular areas of a country. Regions will have similarities and differences – both physical and human. Regions will have changed over time. There are 8 compass points.</p>	<p>During this half term, the children will learn about growing and changes that happen to the body. They will look at the different stages of human development from a baby, to a child, a grown up to old age. They will think about how the body changes and what this looks like. They will also think about how humans and animals are able to carry babies in their bodies.</p> <p>PUPILS WILL KNOW: As we grow and age how we look changes. How to label the body How we look after people at different stages of their life.</p>	<p>We will continue learning the ukulele.</p>	<p>In our DT learning, we will be learning about pneumatics and creating our own moving monster toys. We begin by investigating existing products, learning about pneumatic systems and then moving on to designing and creating our own toy. Finally, we will learn about famous engineers and designers who created a very famous brand of toy!</p> <p>PUPILS WILL KNOW THAT: They can measure, mark out, cut, score and assemble components with some accuracy whilst working safely. They can use finishing techniques to strengthen and improve the appearance of their product They can evaluate their</p>

				own products against the original specification they created.
PE	ICT	British Values	Worship Focus	Key vocabulary
<p>During this half term, we will focus on health and fitness whilst using the Real PE scheme. We will work on our ball retrieval skills and then use these skills in cooperative games.</p> <p>PUPILS WILL KNOW THAT: They need to exercise often to be healthy. It is important to warm up and cool down and explain why.</p>	<p>We will be communicators this half-term. We will practise creating presentations and presenting these to the class.</p> <p>PUPILS WILL KNOW: How to create a presentation on Google Classroom. How to speak clearly and confidently Begin to learn how to record video and take pictures</p>	<p>The British Value that we will focus on this half term is Democracy.</p> <p>A democracy means <i>rule by the people</i>. The name is for different forms of government where the people can take part in the decisions that affect the way their community is run.</p> <p>In a democracy, people voice their opinions by voting on important issues and/or by voting on who they think should lead the government.</p>	<p>We will be studying The Old Testament of the Bible with a particular focus on The Writings.</p> <p>During worship this half term the children will be learning about the Writings in the Bible. The Bible is not just one book, but an entire library, with stories, songs, poetry, letters and history.</p>	<p>Your child will be learning these key words over the next half term:</p> <p>Maths: perpendicular, parallel DT: pneumatic system Music: improvise, compose Geography: region, north, south, west, east R.E: Pesach, Passover, Torah, Rosh Hashanah</p>
