Dear Parents/Carers

Were you once a pupil at St Andrew's? Do you know someone who was?

A short while ago, I wrote to ask for your help to create an 'ASPIRE' display at the Junior School. As you know, 'Aspire' is part of our Vision and we want to show our children what ex-pupils of St Andrew's have gone on to achieve as adults.

Thank you to all our ex-pupils who previously shared their information, we would now like **more of you** to get in touch to tell us what you do now so that we can keep refreshing our display for the children to read. Do you have your own business? Work in childcare? Hair and Beauty? Decorating? Plumbing? Anything!

We know that we have ex-pupils who are successful in all walks of life, such as business owners, social workers, nurses, a whole range of jobs and exciting professions and want to show the children the sorts of roles they may look towards in the future.

If you know of any of our ex-pupils please (with their permission of course) can you complete the slip below and send it back to school or email us at the address below. We will put the information on our display board for the children to see; even better if there's a photo!

We want to motivate and inspire our children and show them lots of different pathways they can choose when they're older. We can't do it without your help. Please help us if you can.

We are looking forward to hearing from you!

Mrs K. Smith
