Pupils in the role of investigative journalists question Mary and Joseph about the events: How do they feel? What might this mean? Does anything scare them? Do they feel privileged? Do they think their son was the Messiah? Why? What is the evidence to suggest that Jesus was the Messiah.</p> <p>Understanding the impact: For Christians, Christmas is a time of celebration of the arrival of the Messiah. Many Christians argue that Christmas has lost its real meaning — Jesus is lost in the tinsel, turkey and TV. The Christian Church use Advent as a time of preparation for the arrival of Jesus.</p> <p>Making connections:</p> <ul style="list-style-type: none"> • Why do Christians believe Jesus was the Messiah? • Recall the 'big story' of the Bible, and

We will focus on reading skills and understanding the text. We will learn how to find evidence within the text to justify our views. We will look at the author's choice of vocabulary and identify figurative language.

Grammar: speech punctuation, fronted adverbials, modal verbs, coordinating and subordinating conjunctions, subordinate clauses, determiners and abstract nouns.

Spelling patterns: silent letters, able and ible, ably and ibly, homophones and plurals.

- Multiply numbers up to 4 digits by a one- or two-digit number using a formal written method, including long multiplication for two-digit numbers
- Divide numbers up to 4 digits by a one-digit number using the formal written method of short division and interpret remainders appropriately for the context (i.e. rounding up or down)

- Solve problems involving multiplication and division including using their knowledge of factors and multiples, squares and cubes
- Solve problems involving addition, subtraction, multiplication and division and a combination of these, including understanding the meaning of the equals sign
- Solve problems involving multiplication and division including scaling by simple fractions and problems involving simple rates – (e.g. miles per hour; eggs in a recipe)

why the People of God needed a rescuer.

- Not everyone thinks Jesus is the Saviour from God, but why might people think that the world needs one?
- Imagine that there is a God: if this God sent a new messenger to Earth in the twenty-first century, what would the messenger say?

PUPILS WILL KNOW THAT:

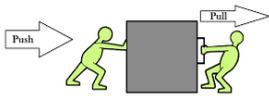

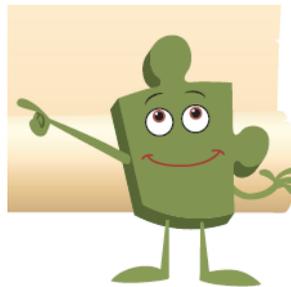

- Jesus was Jewish.
- Christians believe Jesus is God in the flesh.
- They believe that his birth, life, death and resurrection were part of a longer plan by God to restore the relationship between humans and God.
- The Old Testament talks about a 'rescuer' or 'anointed one' — a messiah. Some texts talk about what this 'messiah' would be like.
- Christians believe that Jesus fulfilled these expectations, and that he is the Messiah. (Jewish people do not think Jesus is the Messiah.)
- Christians see Jesus as their Saviour.
