## **iCATS-i2i RESEARCH PROJECT RANDOMISATION OUTCOME**

Dear Parents/Carers

As you know our Year 4 classes are participating in the iCATS-i2i research project. Those of you who completed the initial questionnaires will be receiving a letter letting you know that our school has been randomly allocated to the 'Usual School Practice' group.

This means that the research team will ask participating children, parents/carers and class teacher to complete follow-up questionnaires three times over the next 2 years.

Parents/carers will not receive feedback on initial questionnaire responses and will not be offered the online and telephone support programme. At the end of the project, parents/carers will be offered written (electronic) versions of the content of the online programme.

If you have any questions about the next stages of the project, please do get in touch with the iCATS-i2i team (01865 618175; [icats@psych.ox.ac.uk](mailto:icats@psych.ox.ac.uk)).

Thank you for your continued support.

**Mrs A Jocelyn**  
Head of School
