We will also be wishing Mrs Scholefield a farewell as she retires after being with us for 17 years! We know she has thoroughly enjoyed her time here and can now enjoy a new chapter in her life. We'd like to thank her for her continuous hard work and dedication to St. Andrew's.

Chat around the table

As we come to the end of the academic year, it's good to reflect on the journey they have made so far.

- What have they enjoyed this year?
- What has gone well and has surprised you with your learning this year?

What hasn't gone as well as you would have hoped? How can this be improved next year?

Dear God,

Today don't let me lose my joy, my peace,
my mind or my focus in Jesus' name.

Amen.

Sports Day

Thank you to all who attended our Sports Day yesterday. It was a huge success and a great time was had by all. Thank you to Miss Holt for organising the day. It was lovely to see so many families supporting their children.

Thank you also to Waring Green Stores who supplied us with additional ice pops for the children free of charge.

Strike Days

As you may be aware, the NEU are planning two strike days next week. There will be one on Wednesday 5th July and one on Friday 7th July.

We will remain open on these two days.

Learning Mentors

Mrs Helliwell will be returning from her maternity leave in a couple of weeks. We would like to thank Mrs Harding for all her hard work as a Learning Mentor this year. Mrs Helliwell will step back into her Learning Mentor role and will continue to work alongside Mrs Brearley providing pastoral support.

SEND Meetings

On Wednesday 5th July, parents of pupils on the SEND register are able to book an appointment to see their child's class teacher. During this time you will receive feedback on how your child has done with their current targets and new targets and a new PPP (Personal Provision Plan) will be provided. If you cannot make this appointment, new PPPs will be sent home with your child.

Year 6 Netball Team

Well done to our Year 6 Netball Team who played against Woodhouse Primary on Wednesday. They won 18–4 and played a great game. Watch out for these players in the future!

Reports

Reports were due to go out on Monday 10th July. They will now go out on Tuesday 11th July for Year 6 and remain on Monday 10th for Years 3, 4 and 5. More information on what the Promoting Excellence colours mean can be found here:

We keep our children safe by

. . . informing children and parents/carers about water safety. The following message is from Calderdale Public Health:

Be aware! Open waters are exposed to the elements and may therefore contain bacteria/viruses from natural sources such as animal waste. This can make you extremely unwell.

Please tell your children to:

Avoid drinking water from open water sources

Wash hands thoroughly after playing in or near rivers, lakes, streams and canals

If your child becomes unwell after contact with open water, seek medical advice as appropriate.

Please also remind your children about the other hidden dangers of open water. There are many dangers when entering canals, rivers, and reservoirs, which have tragically taken lives. **The number of accidental drownings in our region is on the rise.** Even with all the hot weather we have been having, the water temperature will be cold. Below 15°C is defined as cold water and can seriously affect your breathing and movement

If you get into difficulty in the water #FloatToLive:

Take a minute - The initial effects of cold-water pass in the less than a minute so don't try and swim straight away

Relax and float - on your back to catch your breath. Try to get hold of something that will help you float

Keep calm - then call for help or swim to safety if you're able

If you see someone in difficulty in the water call **999** and ask for **FIRE!**

For more information on keeping your family safe in, on and around water have a look at our website: www.westyorksfire.gov.uk/water
