Breakfast and Kids Club price increase

Dear Parent/Carer,

Due to the increase in costs over the last few years, governors have taken the difficult decision to increase the price of Breakfast Club and Kids Club by £1.00 per session from September 2023.

This will mean Breakfast Club will increase to £4.50 per session and Kids Club will increase to £10 per session.

We would like to take this opportunity to make you aware of the help that is available for childcare cost:

- Taxfree childcare – <https://www.gov.uk/sign-in-childcare-account>. Working parents can set up an account on the Childcare Choices website for each child which will save you the cost of tax on your childcare.
- Universal Credit – If you are claiming universal credit, you may be entitled to claim back up to 85% of your childcare costs.
- If you are studying fulltime, your education provider may be able to help with childcare costs.
- If you are studying at university, you may be able to claim 85% of your childcare cost through a childcare grant from student finance.
- If you have two or more children attending the same school site (i.e. both children at the Junior School), then the Kids Club charge would be reduced to £9 per child per session. Unfortunately, this discount does not apply if you have one child at the Infant School and one child at the Junior School.

Thank you for your continued understanding and support.

Kind regards,

Julie Hall
Executive School Business Manager
