

Hello from the iCATS team! Here are our latest study updates and reminders.

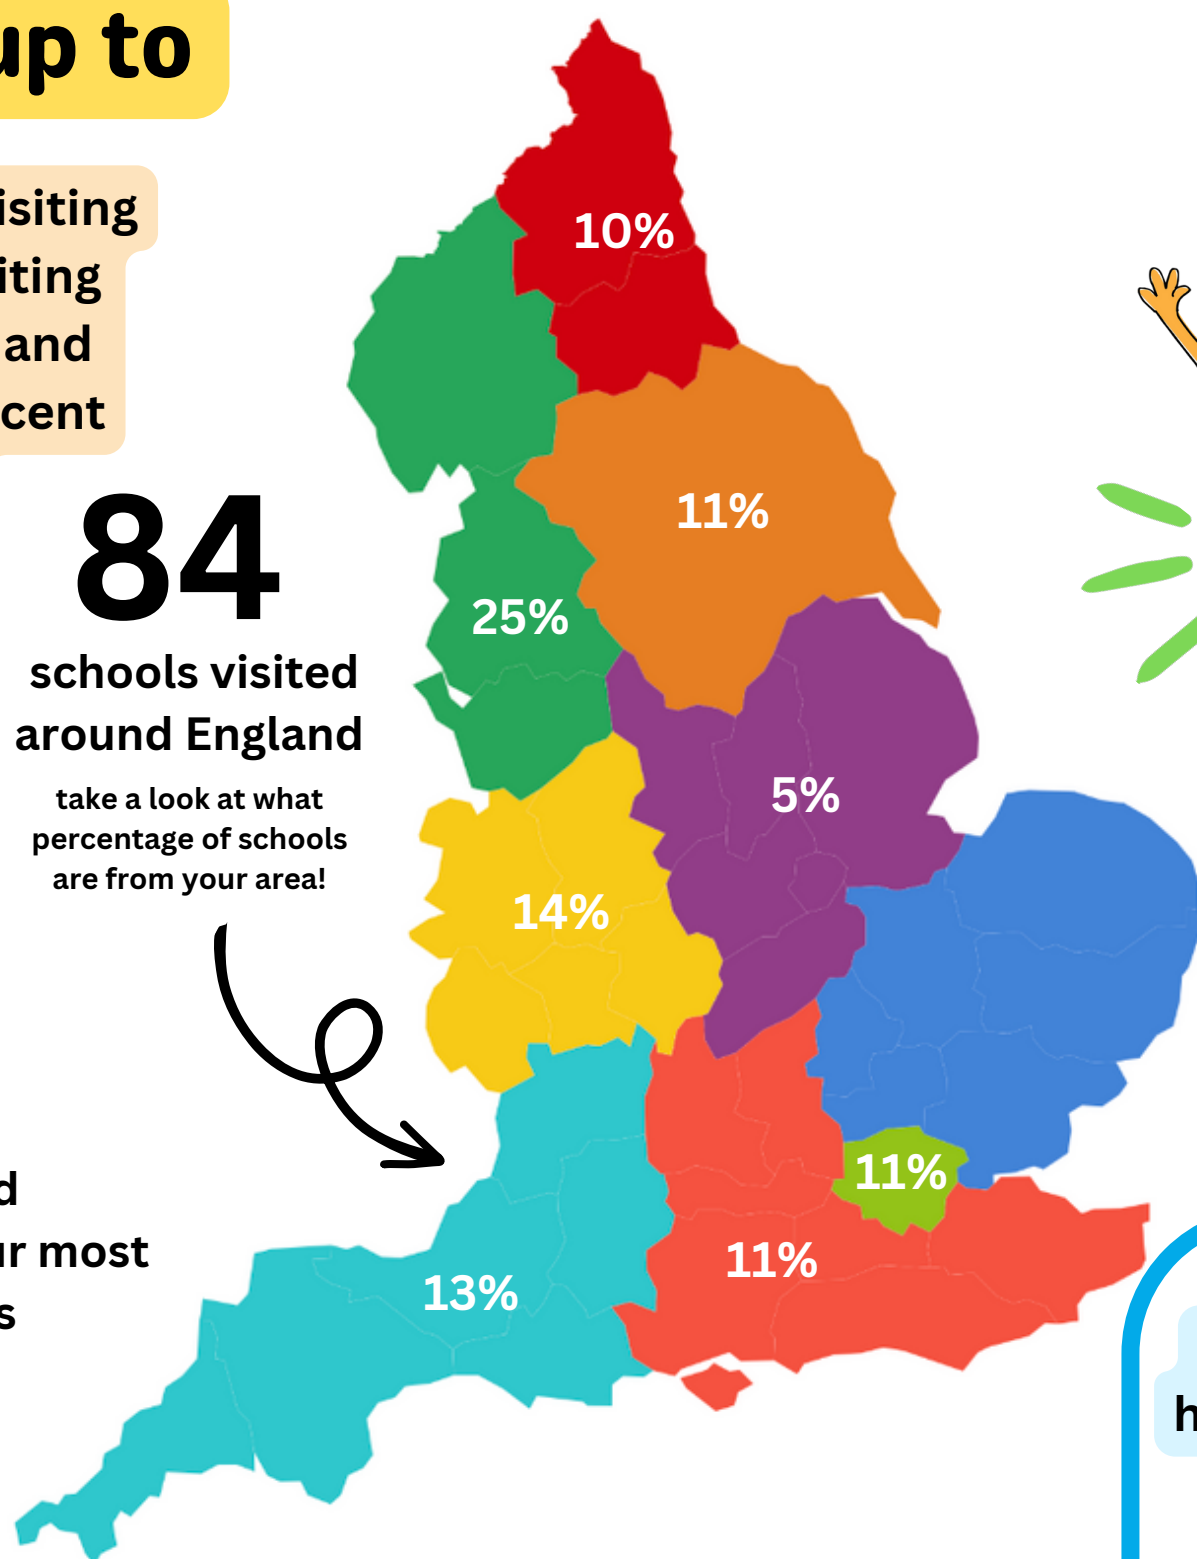

What we've been up to

The iCATS team have been busy visiting schools all over England and inviting participating children, teachers and parents to complete our most recent follow-up questionnaires

over
3600
children completed
questionnaires during our most
recent school visits

84
schools visited
around England
take a look at what
percentage of schools
are from your area!

Thank you!

A huge thanks to the over
1000
parents who filled out our most
recent follow-up questionnaires

Sticker Designs

At our last school visit we asked children to design some new iCATS stickers for us. We'll be bringing some of these stickers with us on our next school visit!

Huge thanks to the parents and children who took part in our interviews about their experiences of taking part in iCATS! Your feedback has helped us make sure the study works well for other families moving forward.

Vouchers

If you completed a questionnaire, you will have been emailed a £10 voucher as a thank you.

You will receive a voucher everytime you complete a questionnaire. Let us know if you think you have missed one from the last round.

If you have any issues accessing your voucher, get in touch!

Next steps

Questionnaire timeline

Autumn 2022

Spring 2023

We will be inviting you to complete two more sets of questionnaires. We will get in touch when we are sending these out.

Autumn 2023
your next
questionnaires

Autumn
2024

If you didn't complete our most recent questionnaire, we would still love to hear from you when we send the next one out in November!

We are looking forward to visiting your child's school again when they are in Year 5!
