Dear Parent / Guardian

BRASS INSTRUMENTAL LESSONS

I am writing to you on behalf of the Elland Silver Band. The Elland Silver Band are very committed to teaching young people to play brass instruments in the local community and would like to give as many children as possible the opportunity to benefit from learning a musical instrument. We run a Starter Band for beginners a Training Band for intermediates and a Youth Band for advanced brass players and with over 100 young brass members aged from 7 upwards. Further information about our groups can be accessed through our website at www.ellandsilverband.co.uk.

Recently, your child received a **FREE** taster session at St Andrews Primary School on a pbuzz instrument. If you're child would like to continue with brass instrumental lessons during school time, please complete and return the form below.

Lessons fees will be priced at;

- £5 per lesson per child in a 30 minute shared lesson with up to 3 other children.
- £10 per lesson per child in a 20 minute individual lesson.

Please complete and return the attach slip to the school office no later than **Friday 15th March**.

Many thanks

Samantha Harrison

Musical Director – Elland Silver Youth Band
