Dear Parent/Carer,

We have a new process in school to ensure your child receives all the funding to support their education. If they are not currently receiving a free of charge school meal, they may be eligible for a daily free meal.

We are asking all parents to complete this link:

<https://www.cloudforedu.org.uk/ofsm/demo/>

Even if you don't think you are eligible right now or your child is currently receiving Universal Infant Free School Meals, our new system checks every week your child is in our school. If your circumstances change and your child does become eligible for additional funding or a free school meal, you will be informed immediately and automatically. You only need to enter the data once, and the system will do the rest on a weekly check until your child leaves this school.

The system will also let school know, so we can amend our records. It is important you complete the link by 2nd October 2024.

Both parents (guardians) should input their own data, or complete the form below.

Kind regards,

Julie Hall
Executive School Business Manager

If you would rather school completed the check on your behalf, we can do that for you, please provide the following information:

Your NI Number

Your date of birth

Please confirm you are happy for us to complete the check below:

I (insert your name) give permission for school to complete the online check to assess eligibility for a free school meal and pupil premium funding.
