Dear Parents/Carers

## MOBILE PHONES

Mobile phones should not be brought into school by children unless agreed with the class teacher.

The school cannot guarantee the security of mobile phones for loss, theft or other damage. Whilst we would prefer children not to bring phones to school, if you require your child to bring one please sign the agreement below and return to school.

Please note the mobile phone must be switched off as soon as children enter the school grounds and should not be used during the school day. Children must hand the phone to their class teacher during registration each morning and they can then collect them at the end of the school day.

If children are found to be using their mobile phone on the school premises it will be confiscated and parents will have to come to school to collect it, they may then lose the right to this privilege in future.

Kind Regards

**Mrs A Jocelyn**

Executive Headteacher

✂

Please return to your child's class teacher.
