Dear Parent

Water Safety Lessons

WIC9/12/24.....your child will be participating in Water Safety activities during their school swimming lessons.

Please bring an old, but clean long sleeve top and long bottoms. Both must be long length. Not shorts/short sleeves, one piece or similar clothing. Which your child can wear to each water safety session. (Swimming costume/trunks are worn underneath the clothes).

You may find it helpful to bring an extra plastic bag for the wet clothes.

Yours sincerely

Pamela Bentley
Swimming Development Manager
