Dear Parent/Carer

## Odgen Trust Physics Olympics

\_\_\_\_\_ has been invited to take part in the Ogden Trust Physics Olympics at All Saint's Primary School on Wednesday 2<sup>nd</sup> April 2025 from 9:00am to 2.30pm. The day will involve all children participating in a round robin of science investigations that have been created by other schools in the Ogden Trust. The St Andrew's group will be working with Miss Gledhill in school time to create a physics themed investigation. They will carry it out themselves on the day and let other children try out the investigation as well. This event gives children a great opportunity to further their love of science, work as a team and compete with other schools.

All children participating will need to bring a snack, bottle of water and a packed lunch. On the day, please come to school at the normal time. If your child receives free school meals and you would like a packed lunch provided for them, please inform the office via the slip below. Children will travel in a taxi from school with Mrs Adamson to All Saints School. When the event has finished they will return to school in a taxi before 3:25pm, where your child can be picked up at the normal time. Mrs Adamson will be with the group throughout the day.

Please complete the slip below and return it to school by Wednesday 19<sup>th</sup> March. If you have any questions about the event please get in touch with Miss Gledhill.

Many thanks

Miss Gledhill  
Science Co-ordinator

Please return this slip FAO Miss Gledhill by Wednesday 19<sup>th</sup> March 2025
