Dear Parent/Carer

Ogden Trust Science Fair – Thursday 26th June 2025

We are excited to invite you and your child to Copley Primary School's annual Ogden Trust Science Fair.

Over the last few days, the staff and children at St Andrew's have been judging the wonderful projects that have come in from across all the year groups for the Science Fair. Your child's project has been chosen as one of the winners. This means that their board will be taken to the final of the Science Fair at Copley Junior School where everyone attending can see the lovely work your child has created. Miss Gledhill will be there to supervise the children and to answer any questions you may have.

The event will bring together children and staff from several local schools who have been busy creating some amazing science projects – over 1,000 children have taken part in the run up to the event!

The fair is taking place at Copley Primary School on **Thursday 26th June** from **6pm to 7.30pm**. We'd love it if you could go along with your child to the final, the trust have asked us to mention that only 2 adults can attend per child. Winners from other schools in the Ogden Trust will be there with governors, local secondary science teachers, Ogden Trust members and many more. Refreshments will also be provided.

During the event, the winners from each school will talk to the judges, with this building up to them choosing the overall winner from all the entries. The winner will receive the Oliver Smithies Trophy that was designed by one of our past pupils from St Andrew's and kindly funded by the Olivier Smithies Trust.

We hope you can come along and enjoy the evening.

Miss Gledhill

Ogden Trust Science Fair – Thursday 26th June 2025

Please return this slip FAO Miss Gledhill by **Friday 20th June 2025**

Childs Name _____

☐
